### **2. Topic- Best Teaching Practices**

**Date & Time:** 1-3am, July 2 (Beijing Time)

**Speaker:** [Jon Bergmann](#) (Flipped Class Movement Pioneer)

**Abstract:**

Often, educators teach the way they were taught, in a passive manner that assumes information is simply transferred from the teacher to the students. However, learning requires students to be active when constructing new knowledge. In this session we aim to leverage insights from the learning sciences and research on how students learn to promote best teaching practices!
