

Dear Colleagues and Students,

Please see the following announcements.

I. Vote for Your Favourite “How to Use iSpace” Videos! (UIC Staff Only)

In collaboration with the APSY course Educational Psychology and ITSC, we are pleased to share students' course projects How to Use iSpace videos with you. The purpose of these 5-6 minute videos is to help colleagues to learn how to apply iSpace functions in college teaching.

Please visit the link <https://ctl.uic.edu.cn/Recourses/iSpace.htm> to watch these six videos and log into MIS survey <https://mis.uic.edu.hk/survey/login.jsp> to select your favourite video(s) and share your suggestions/comments.

If you satisfactorily complete the survey, you will be entered into a drawing to receive one of three UIC souvenirs. The winner will be notified by email.

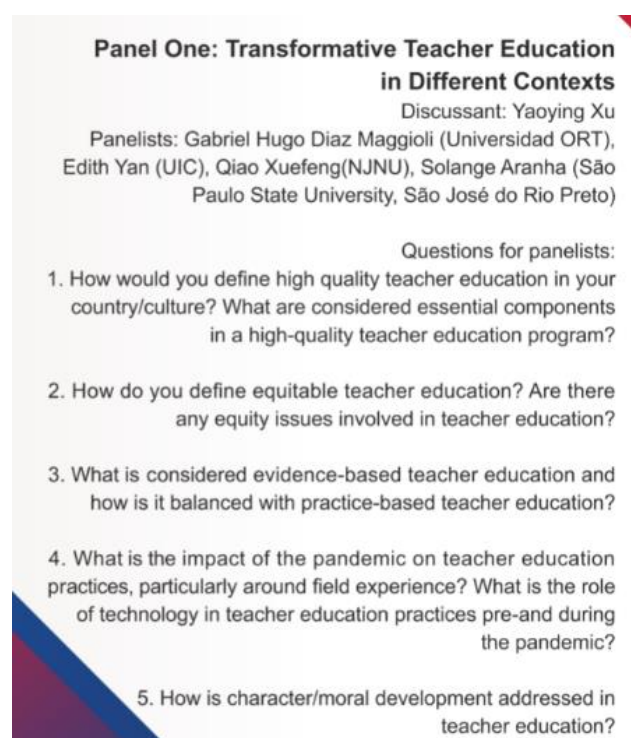

This activity will close at **5:00pm, May 30** (This Sunday).

II. Joint Research Symposium

Jointly led by UIC CTL & IDO, the registration of 2021 Joint Research Symposium held by Virginia Commonwealth University (VCU) is now open to UIC staff/students. Welcome to join the engaging panel discussions on teacher education from a variety of international contexts.

Theme: From pedagogical principles to core instructional practices: A dialogue that transcends frontiers

- a. Panel One: Transformative Teacher Education in Different Contexts

The poster is titled "Panel One: Transformative Teacher Education in Different Contexts". It lists the discussant as Yaoying Xu and the panelists as Gabriel Hugo Diaz Maggioli (Universidad ORT), Edith Yan (UIC), Qiao Xuefeng (NJNU), and Solange Aranha (São Paulo State University, São José do Rio Preto). It includes five questions for the panelists: 1. How would you define high quality teacher education in your country/culture? What are considered essential components in a high-quality teacher education program? 2. How do you define equitable teacher education? Are there any equity issues involved in teacher education? 3. What is considered evidence-based teacher education and how is it balanced with practice-based teacher education? 4. What is the impact of the pandemic on teacher education practices, particularly around field experience? What is the role of technology in teacher education practices pre-and during the pandemic? 5. How is character/moral development addressed in teacher education?
